2. Training 2: Interactive quiz or case-based questions to reinforce learning

Table of contents

1. **Training 1: Knowledge check covering key topics**
2. Training 2: Interactive quiz or case-based questions to reinforce learning

This knowledge check aims to reinforce key concepts related to predictive and preventive maintenance in maritime energy systems. The questions are designed to evaluate understanding of:

- Maintenance protocols
- Battery safety and diagnostics
- Predictive tools and digital models
- Regulatory awareness

Participants are encouraged to answer thoughtfully. The discussion of answers will follow.
